REMARKS

The Final Office Action dated July 7, 2005 and the Advisory Action dated October 24, 2005 have been received and carefully considered. In this response, claim 5 has been amended to correct an antecedent basis informality, and claim 34 has been amended according to the Examiner's suggestion. Reconsideration of the outstanding rejections in the present application is respectfully requested.

Claims 34-38

At page 2 of the Advisory Action, the Examiner refused to enter new claims 34-38. In a telephone conference with the undersigned on November 7, 2005, the Examiner indicated that claims 34-38 would be entered and allowed if claim 34 were amended to recite "transport stream" rather than "data stream." In an effort to advance the present application to issuance, Claim 34 has been amended to comply with the Examiner's suggestion. Accordingly, entry of claims 34-38, and consideration and allowance of these claims, is respectfully requested.

Conclusion

It is respectfully submitted that the present application is in condition for allowance, and an early indication of the same is courteously solicited. The Examiner is respectfully requested to contact the undersigned by telephone at the below listed telephone number in order to expedite resolution of any issues and to expedite passage of the present application to issue, if any comments, questions, or suggestions arise in connection with the present application.

The Commissioner is hereby authorized to charge any fees that may be required, or credit any overpayment, to Deposit Account Number 50-0441.
